## **BID SPECIFICATIONS FOR ICE CONTROL SAND**

**Bid Date: October 21, 2021**

**Time: 10:30 A.M.**

Sealed bids will be received by the Board of County Road Commissioners of the County of Hillsdale at 1919 Hudson Road (M-99) southeast of Hillsdale, Michigan, until 10:30 a.m. local time on Thursday, October 23 2021, at which time bids will be publicly opened and read aloud for furnishing **MDOT 2NS ice control sand** for the 2021-2022 winter season.

We desire two quotations as follows: the base material price shall be quoted per ton FOB your plant. Also quote a separate optional delivery price to our Hillsdale salt barn and our four (4) satellite salt barns (Camden, Jerome, Litchfield & Waldron) via dump trailer or double-bottom truck loads. Telephone orders will be placed throughout the winter on an as-needed basis. We normally use approximately 5,000 tons of sand per winter. Prices shall be firm throughout the winter season at least until May 1, 2022.

Bidder is requested to submit his bid on his **company letterhead**. Bids shall be submitted in sealed envelopes clearly marked with the words: "**Sand Bid**". Bidders should take special notice that all bids delivered by mail must be received at the road commission no later than the day before the bid opening.

This bid may be extended an additional year (or years) upon the mutual written consent of both parties.

The Board of County Road Commissioners of the County of Hillsdale reserves the right to reject any or all bids, to waive details in specifications, to waive irregularities in the bidding, and to accept the bid(s) which in their opinion is in the best interest of the road commission.
